Village of Fall River

COLLECTION INFORMATION

QUICK *Overview*

- The Village of Fall River's scheduled pickup day is Thursday. Please refer to the calendar included for your schedule.
- Your blue cart is for recycling. It is picked up every other week on your scheduled day of pickup. The all-in-one recycling system allows you to put all of your recyclables in one cart. If you choose to bag your recyclables, use only clear plastic bags and do not tie shut.
- The dark brown cart is for trash. It is picked up every week on your scheduled day of pickup.
- Bulky item pickup information is listed on the last page of this packet. There is a fee for this service.
- Please do not use or put out any non-Pellitteri Waste Systems carts for collection. We will only service Pellitteri Waste Systems carts.
- Carts must be set out by 6:00 A.M. and placed in the correct position for pick-up. Pick-up times may vary from week to week. Trash and recycling carts are serviced at separate times during the day.
- Do not put any trash and/or recycling bags to the curb that do not fit in the cart unless you have made arrangements in advance. There is a fee for this service. Please do not overload carts; the lids should shut.
- All Pellitteri carts are the property of Pellitteri Waste Systems. Please do not take the carts if you move. You are responsible for any missing carts or damages to the carts other than normal wear and tear.

COLLECTION INFORMATION

CART PLACEMENT *Instructions*

PLACEMENT *of the Carts*

Please place your carts on level ground and at least 4 feet apart from each other. Never place the carts in front of one another. The carts need to be within two feet of the street. The best placement for the carts is at the end of the driveway or on the grass within 2 feet of the road. We recommend placing carts on opposite sides of your driveway. Carts cannot be collected if they are improperly placed. In the winter, you may need to shovel out areas for your carts just like you do for mail delivery. Be sure the areas are away from obstructions like mailboxes, trees and cars. Please do not place carts in the street.

LOADING OF *Your Cart*

We recommend bagging your trash so it won't stick to the inside of the cart. This will also help to keep the carts clean on the inside and prevent windblown litter. Do your best to break down the items being placed inside the cart so they don't lodge themselves inside and make it impossible to dump.

FACE THE CART *Towards* THE STREET

Put your cart at the street so the arrows on the lid of the cart will point towards the street. The serial numbers on the front of the cart should also face the street. By placing your cart correctly, it is easier to dump and it will be much less likely to have waste spill out.

GIVE US *Room*

With the automated collection trucks we need some room away from obstructions like trees, mailboxes and cars. Please place your carts 4 feet away from such obstructions.
